1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The cross cutting issues like Professional Ethics, Gender, Human Values, Environment Sustainability are the parts of almost all the courses of Humanities, and Science. They are reflected in the syllabus directly or indirectly. The papers of English Literature, Marathi Literature and Hindi Literature taught to BA classes deal directly with Human Values in the poems, short stories, novels and plays. The papers like Communication Skills, Business Communication, Professional Skills Development Course, taught in the college have Professional Ethics as the part of their syllabi. In FYBA AND FYBSC. there is a special subject called Environmental Studies which is mainly introduced to make the students aware of Environment and Sustainability. The MIL and GENERIC courses which are compulsory subjects for SYBA, SYBSc, TYBA and TYBSC directly contribute in sensitizing the students to the issues like Gender equality, Human Values, Professional Ethics and Environment Sustainability. These value-added courses help to build the overall personality of the students.

College also donate books, clothes, food items and stationery to orphanages. Our students volunteer for such activities and realize human values such as kindness, love etc.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Program and course outcomes provide a powerful framework on which the curriculum and related activities are structured and carried out. The program and course outcomes of all the courses in our college are learner-centred and maximum emphasis is given to the successful fulfilment of these outcomes. Our teachers make planned and collective efforts in order to make sure that the students in every course possess the essential and enduring disciplinary knowledge that is expected on successful completion of the program or course.

The program and course outcomes are discussed with the students at the orientation meeting at the beginning of every academic year so that the students are well-informed and aware of the theoretical content and practical techniques that they are expected to learn throughout their program/course. This helps the students to have a basic understanding of the subject and to visualize a clear scope of its outcomes.

Program outcomes, program-specific outcomes and course outcomes for

all programs offered by the institution are stated and displayed on the website of the institution.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Following measures/initiatives have been taken to assess student program/learning/course outcomes:-

1- All the departments prepare a detailed activity plan (in line with to Academic calendar and individual teaching plan) for all the papers of each semester at the beginning of each academic session. The Academic Plan contains information such as topic & date of Class Test, Assignment, Presentation, Case-Study, etc. with a motive to provide advance intimation to the students to prepare the subject content as well as to keep track of the syllabus covered by the teachers.

2-Teachers are organizing field/industrial visits for the students to give them practical exposure. Time-to-time special classes for slow learners.

3-Knowledge, Application of Concept, Problem Solving Activities are used to check whether the student is able to recall and implement what they have learned as well as their intellectual skills.

4-Department-wise teachers closely monitor students' attitudes, values, interests, ideas, etc. so that these elements can be nurtured for the betterment of a student.

5-During the Mentor-Mentee Session teacher describe what standards are expected from students and what are the probable milestones he/She can probably achieve.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Every year, staff members fill up the PBAS forms in the university-prescribed format. The forms enable the faculty to record their contribution in academic matters, research projects undertaken,

papers presented at local, national and international conferences, seminars and webinars, and papers published in national and international journals, and their involvement in co-curricular and extracurricular activities is also duly recorded. Overall, the points garnered each year enable the staff to secure their promotions under the CAS (Career Advancement Scheme). The forms duly filled are then submitted to the Principal. The Principal provides feedback for each faculty member and then forwards the forms to the IQAC.

The forms for the administrative staff assess the performance, ability and character of the staff on the basis of parameters such as punctuality, efficiency, technical knowledge, dependability, and skills. The performance appraisal the staff provides is then assessed by the Principal who comments on the validity of the selfappraisal report. The forms are then stored for future reference and for career advancement purposes for the concerned staff members.
