CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

As the college is affiliated to the Parental University KBCNMU Jalgaon ,it has very very limited scope to devise and frame the curriculum. However our expert faculties are part and parcel of syllabus restructuring and framing process of the university. The teachers mark their participation in the curriculum enrichment . Since 2017 faculty of our college are Member of Board of Studies and 01 teacher is Chairman of BOS of Economics. Curriculum delivery system in the college is well-planned and student-centric in order to achieve holistic development of the students. In the beginning of an academic year, academic calendar and teaching plan get prepared and the same. IQAC in its meetings devises a roadmap regarding the effective curriculum delivery. Faculty members adhere strictly to the teaching plan and academic calendar. IQAC monitors its effective delivery through heads of the departments. A separate ICT Committee has been set up to motivate faculty members to apply advanced pedagogical methods and tools in class room. This committee maintains record of ICT database in the form of PPTs, virtual sessions in Humanities and recorded lectures provided through Lecture Capturing System and Google class room made the process effective. Schedule of practical sessions particularly in Science faculty is planned well in advance and classroom seminars, project works and excursions planned at the commencement of each semester only. Here, departments assign topics taken from syllabi to all the students with the help of ICT and other teaching tools, students prepare their seminar and used to deliver them according to the schedule. Furthermore, initiatives are being taken by each and

every faculty member to identify slow and advanced learners and tackle their needs. Besides the regular university examination, the departments conducted unit tests, tutorials periodically to ensure effective implementation of the curriculum as per college evaluation calendar. It helped in-time execution of the same in Arts, AND Science, . The teachers of our institution also contribute in curriculum framing activities by sharing their experiences and suggestions during the syllabus framing workshops. The feedback on curriculum, course and teaching is used to monitor the quality in education. Besides this, the suggestion of the students on curriculum and teaching are also invited through suggestion box.

Feedback Obtained

The institution believes in 'Good Governance'. The collection of regular feedback and action taken on feedbacks is a continuous process. It collects regular feedback throughout the year from the stakeholders. The analysis of the feedbacks is done by the IQAC and report is submitted to the Principal. Through sample survey methods these stakeholders are asked various questions related to course contents, course outcomes and development of skill sets for employability along with value education. Feedback from the Students, Parents and Alumni about the Curriculum, the Institution and the Teachers is used constructively by the college with a view to enhance the teaching learning experience. The institution uses the feedback obtained from the students as a tool for continued learning. The feedback received from students, parents and alumni on course and curriculum is discussed in the staff meetings and useful feedbacks are conveyed to the university authorities during syllabus framing workshops. An online/Offline Students' feedback regarding the curriculum, Institution and Teachers is taken in the prescribed format. The feedback on

facilities received from students, parents and alumni is placed before the college development committee meeting for the discussion and approval

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The Faculty members of the institution always help the students in various aspects. 1. Along with the regular classes, the faculty members guide students regarding competitive examinations, regular syllabus. 2. There are some students who are learning with the part time job. They are not regular everyday. So the teachers guide them by taking extra classes. 3. They are guided about the road safety, gender sensitization, physical and mental fitness awareness, health, Physical hygiene etc. 4. They are specially guided for the competitive examinations, sports etc.. The informal relationship and environment is made among the students by mentors so can it enable the students to identify their hidden qualities and gets them to explore their selves and allows them to feel the joy of learning and to uplift the classroom or exam induced stress. It also helps mentees and mentors to know about the personal issues of the students and helps them to solve or overcome from that by promoting social traits, sense of belongingness and to understand the value of money in life etc. Every mentor is closely associated with their mentees and conducting the programmes to achieve the objectives of the schemes. This year, many study tours have been organised for the mentees. Similarly, other issues of the mentees pertains to

personal life, health and finance have been also solved by the mentors. Overall, the mentoring system is working effectively and benefitting the students at large.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Being affiliated to the KBCNMU Jalgaon the college has a very limited scope in the introducing new reforms in the evaluation. The internal examinations are conducted as per the considerable syllabus is covered. The internal examinations are conducted with the proper time table for both semesters. The Examination committee ask for the question papers and on the base of these question papers, examination is conducted within a week. The question patters are MCQs, Broad Answer questions, One senetnce answer questions. The project work and practical notebook is also used. FYBA, BSC environmental studies students are instructed to bring the various plants and they are planted in the campus. Continuous internal evaluation system includes examinations, assignments, viva -voce and presentations. In newly introduced CBCS pattern, there are 40 marks per paper have been assigned for internal assessment which comprises of tutorial , class attendance, internal test, classroom seminars, performance in group discussion, home assignments, unit test, weekly test etc .

The 'Internal Assessment Record Book' is in operation to centralize the internal assessment record. This booklet is circulated to the students during the internal exams and it has to be returned to the custodian after the internal test. These marks have been submitted online to the affiliating university. The 'Students Grievance Committee' is constituted to redress the complaints pertaining to internal assessment marks. Recently, the grievance of sports students has been solved by providing relaxation in class activities and conduct of separate internal tests etc. These students have spent most of their time in participating of inter university, inter college, inter group competitions and sports training camps etc Hence, on most of the occasions they were absent in class activities and internal tests etc. The Principal of the college addresses the newly admitted students to make them aware of various facilities, rules and regulations, and examination related activities. The principal of the college regularly conducts meetings of various college committees to ensure the better functioning of the academic and examination related activities. It is mandatory for the students and the faculty to adhere to the academic calendar for the completion of academic activities. In every academic year, semester wise examination committee meetings are organized for the better conducting of CIE. The process is as follows: Teacher: Every teacher is assigned the subjects to be taught during the academic year. The teacher plans the teaching and evaluation schedule of assigned subject. The type and schedule of internal evaluation is planned in consultation with the head of the department. Head of the Department: The Head of the department compiles the academic plan submitted by the teachers and ensures that there is no overlapping of the activities in general and the CIE in particular at both the internal as well as the University level. The Academic calendar is then forwarded to the IQAC. IQAC: The IQAC compiles the inputs received from the various departments and a comprehensive plan is prepared and uploaded on the college website. IQAC prepares the academic calendar in tune with that feedback

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution adheres to the Academic Calendar for the smooth working of the Academic and Examination work of the college. It acts as the stepping stone for the smooth functioning of the college. Academic Calendar provides the proposed roadmap of the Annual activities of the college. The Principal of the College alongwith the IQAC, HOD and faculty members designs the College and Department wise Academic Calendar matching with KBCNMU Jalgaon. It includes details of the commencement of the semester, holidays, summer and winter vacations, day celebrations, Examination Schedule, study tours, lectures, seminars and other various proposed activities. This helps students to prepare well in advance. It also posted on college website. The principal alongwith College Development Committee members monitors the actual implementation of the Academic Calendar.
